# Collapsing in Hyalite

Hyalite - East Fork
Northern Gallatin
12/29/2023
Code
Latitude
45.41000
Longitude
-110.93100
Notes

Skiers felt collapsing while touring near Heather Lake.

From obs: "I got one relatively large collapse as I stepped out in the open near Heather Lake, and then 5-6 smaller ones as I looped around above it."
