## **Snowmobile triggered, Marty's, Cooke**

COOKE CITY Cooke City 3/12/2023 Code HS-AMu-R3-D2.5-O Elevation 9400 Aspect SW Latitude 45.02020 Longitude -109.93800 Notes

Snowmobile triggered on a path called "Marty's" above Daisy Pass road. This was similar <u>aspect</u> as the <u>slide</u> on Crown Butte yesterday, and likely had a similar snowpack structure. We checked the debris for a beacon signal to be sure no one was caught, and did not find one. This may have been triggered today (3/12). Photo: GNFAC
