

ECTP 11

Date

Sat, 01/20/2024 - 14:25

Activity

Snowmobiling

Snow warmed up significantly and felt heavy compared to a few days ago. Dug a snow pit on on an easterly slope. ECTP 11. Didn't notice as much cracking as a few days ago.

Region

Lionhead Range

Location (from list)

LIONHEAD AREA

Observer Name

Travis Hansen
