

Snowmobile Triggered Avalanche in Black Canyon

Date

Fri, 01/19/2024 - 14:25

Activity

Snowmobiling

From interaction at the gas station:

“We were riding out from Island Park. We saw dramatic, collapses, and shooting cracks. I side-hilled a small slope and triggered it 1.5 to 2 feet deep. I have never seen such unstable snow.”

Region

Island Park
