Avalanches above 212 east of Cooke City

Out of Advisory Area 3/2/2024 Code R3-D2-O Aspect NE Notes

From email on 03/03/2024: "Two big avalanches observed above the "plug" east of Cooke city. on my ride over this AM. One ran to the road, unclear if it went over it and maybe the groomer ran over the debris. Appear natural or possibly snowmo triggered? "
