

2024 MONTANA STATE UNIVERSITY

SNOW & AVALANCHE WORKSHOP

Nov. 13, 2024
SUB Ballroom A
4-8pm

SCHEDULE

4 pm: Vendor Hour

Come grab some stickers, check out gear, and chat with vendors from a variety of local businesses, gear companies, and community partners! There will be light snacks and time to get raffle tickets for prizes from our sponsors.

5 pm: Awareness Presentations

Short presentations about the why and how of avalanche education and awareness including the MSU Dean of Students, Campus Rec, A3, Friends of GNFAAC & GNFAAC forecasters.

6 pm: Research Presentations

Speakers include Sam Verplanck, Assistant Professor MSU Civil Engineering, Andrea Bruckmeier, PhD student, and Mark Staples, Director of GNFAAC. Find more details about presenters online.

7 pm: Panel Discussion

A discussion on The Power of Partnerships: Teamwork in the Backcountry, moderated by Drew Pogge (Big Sky Backcountry Guides).
